Mayoral Minutes

MM4/26 Mayoral Minute - The Country Mayors Association of NSW (CMA) Invest in Us Campaign - Support for Campaign to Increase Federal Assistance Grants to Local Government

FILE:26/00006/004

The Country Mayors Association of NSW (CMA) is inviting all its member Councils to participate in a vital campaign advocating for the restoration of the Commonwealth Financial Assistance Grants to Local Governments.

The campaign seeks to restore at least 1% of total Commonwealth taxation revenue for local Councils under the rallying call: 'Invest in us so we can invest in them.'

The past several years have seen unprecedented operational cost increases with successive Australian Governments rolling back Financial Assistance Grants to close to half of the one percent they started at. There are other federal funding programs accessed by rural, remote and regional Councils in NSW but they are project-based and do not help to keep the lights on.

Local Governments are the backbone of our communities, delivering essential services and infrastructure that shape the daily lives of Australians. Despite this, funding constraints continue to limit our ability to meet growing demands. This strategy outlines a comprehensive communications approach to raise public awareness, build coalitions, and influence Federal policymakers.

Lobbying has been undertaken by your CMA, Local Government NSW (LGNSW), Australian Local Government Association (ALGA) and more. This is a different, positive approach and strong backing is encouraged at local levels.

Councils don't ask much from our communities - now is the time to help us help you.

MOVED S Moore, Mayor **SECONDED** G Adamthwaite that

1. Notes the Country Mayors Association of NSW "Invest in Us" campaign advocating for increased Commonwealth Financial Assistance Grants to local governments. The campaign seeks to restore at least 1% of total Commonwealth taxation revenue for local Councils across Australia

2. Recognises the critical role Local Government plays in delivering essential services and infrastructure that underpin community wellbeing, economic vitality, and national resilience.
3. Supports the campaign's core message: 'Invest in us so we can invest in them.'
4. Commits to participating in the campaign by:
 - a. Sharing campaign materials through Council communication channels
 - b. Engaging with local media and community stakeholders to raise awareness.
 - c. Lobbying Federal representatives to support the funding increase.
5. Write to the relevant Prime Minister, Treasurer, Federal Minister for Local Government, the Shadow Minister for Local Government, our local Member of Parliament and NSW Duty Senator expressing Council's strong support for the campaign and urging their commitment to the proposed funding increase.

Upon being put to the meeting, the motion was declared carried.

For the Motion were Crs S Moore, Mayor, G Adamthwaite, H Jenkins, S George, Deputy Mayor, M McLachlan, A McGowan, P Thompson, D Thompson, P Watson and S Yeomans Total (10).
